

A healthy pregnancy has a direct influence on the health and development of a child. The prenatal period has a lasting impact on the child's potential for healthy growth and development. Early Head Start (EHS) programs provide services to pregnant women and expectant families, and to the child from birth to age three.

- Healthy pregnancies and positive childbirth outcomes.
- Supportive postpartum care for the parents and child.
- Supporting and enhancing parent child attachments.
- Parents to develop as nurturing and responsive caregivers.

- Verification from physician or designee of pregnancy.
- Must be income eligible

- ☐ Proof of Pregnancy (Documents signed by OB/GYN, Sonogram, etc)
- ☐ ID
- ☐ Proof of Income: (Ex: Tax returns from previous year - 1040, W2, 1099, IRS or Social security wages print out)
